"Razzmatazz and All That Jazz", the 1981-1982 float, stunned crowds across the Pacific Northwest with its award winning appearance and splendor. The impressive list of awards include two non-commercial sweepstakes from the Wenatchee Apple Blossom Parade and the Ski-to-Sea Parade, the Grand sweepstakes from the Lynden Farm Festival Parade and the H.J. Benbam memorial, best color harmony, from the Seattle Seafair Torchlight Parade. Credit is due for the "jazzy" job done by Mr. Priebe the designer, and Mr. Wight and the community art class for their dynamic construction of the successful float. Thanks can also be given to the student body and faculty for their generous contributions which totaled an impressive \$1500.00. Profits from the April Fools Dance also aided with the construction. Best of luck next year for what is sure to be another impressive float-keeping in traditional Sehome excellence.

You may ask yourself, what does the honor society do? Well, many people have the misconception that the honor society is just a bunch of brains who do their homework! This is not so. The Sehome High School honor society consists of a very active group of juniors and seniors with a G.P.A. of 3.5 and above who raise money to help better the community, their school and for possible scholarships. Trick - O - Treating for UNICEF, kiss-o-grams and planned trips with neighboring school Bellingham are just a few of their numerous activities.

Esperanto is a Multilanguage club for foreign language students and exchange students to get to understand more about each other's cultures. Foreign language teachers are advisers with Mrs. Diez, the head of the club. The Club participates in many extra activities. This year they had a Halloween party, a Christmas fest, a food fair and a cultural presentation. The food fair and cultural presentation raise money for students to travel to other countries and for the Dorothy Gonzales Scholarship Award; the money is also used to help out foreign exchange students in purchasing Windjammers among other things.

PEP CLUB STRIVES ON

This year's Pep Club rallied off to an exciting start, beginning with a car rally that led to the Sehome-Stanwood football game at Civic Field from Sehome High School. The purpose of the club is to raise spirit in school. The club began with selling balloons and buttons. Every Tuesday after school, meetings are held; on Thursdays the members stay after school and decorate the football players' lockers.

Another event the Pep Club partakes in is "Secret Pals", whereby each member is assigned a football player to which he must make some kind of treats for.

In the past, the Pep Club hasn't been too strong, but now with renewed interest in school spirit, it is becoming successful.

The Debate Club's topic of arms sales curtailment this year has further expanded the students persuassiveness and speaking ability. TRAFFIC SAFETY CLUB DRIVES AWAY WITH A CLEAN RECORD

The Traffic Safety Club, under the advisement of Monte Walton, Bill Baker, and Ray Chapman with president Alan Noranda, and secretary Bryn Karlberg, is a club concerned with making the public aware of traffic safety. The club includes all members of the Traffic Safety classes who are interested in promoting safe traffic conditions. Manning coffee breaks at rest stops on holidays, providing reflection tags for children on Halloween, and directing traffic at school functions are a few of the club's activities. The traffic safety club meets monthly.

MARINERS GET THE BEAT DURING HOMECOMING WEEK

"Salute to Music" was chosen by the Sehome students as the theme for 1982's Homecoming week. Each class had the option of choosing it's own individual theme based on the main one.

The Seniors selected Punk to base their activities around, Juniors decided on Country Western, the Sophomores went with the Sixties, and Freshmen favored Songs of the Seas.

The week was filled with exciting things to do each day. Wednesday the students dressed up in different colors according to the rest of their class, Thursday, we found the students dressed as if they were heading for the beach, and Friday was class theme day.

We also had special noon-time activities. Wednesday students volunteered to be a sold as genies, Thursday was an air-oand contest with finalists playing in the assembly, Friday the genies were dressed up and a \$1.98 beauty show was held.

As the week came to a close an assembly was held with the Junior class taking first over all. With that night a game against Anacortes was held with a dance afterward.

"Cartoons" was selected as the theme for the annual 1983 Varsity Week. Each class chose it's own individual theme. Seniors decided on Peanuts, Juniors went with Archies,

Sophomores chose Walt Disney, and the Freshmen selected Pac-Man.

Each day brought a fun and exciting activity. Monday's lunchtime activity was musical chairs. Tuesday brought a shopping cart race and Wednesday the famous air band contest. Also on Wednesday students donned their sweats and headbands. Thursday brought outdoors day, and an Olympics won by the seniors. Friday was class theme day and the final airband contest. The assembly brought Varsity Week to a close and also a victory over the cubs. The night ended off with a dance by Zippers.

ROYALTY

A GLIMPSE OF HEAVEN

On November 5, 1982 the student lounge was transformed into an imaginary atmosphere that grew heavenly as the night went on. The Heaven Tonight Junior Prom came to life at 9:00 with the band "High Risk" providing the music. The evening began with most couples going out to dinner and came to a close as the dance ended at 11:30.

The 1983 Valentines Dance went swimmingly with the help of the music by the Sharx. Students made a grand gala of the evening by dressing semi-formal and dining out. The dance was held in the student lounge which was festively decorated with the help of Stacey Lewis, Cathy Freeman, Sue Manchester and Laurie Bohl.

God I'm so glad you are
here ~~at~~ me! I hope ~~g~~ that every time you
hear "men with out hats" you think of
me and Dee Jay. I know I will. I really
am glad that you and I are still just
as close of friends now as we were
before I moved. ~~the shit~~. I
value our friendship and I hope it will
stay a long time. Enough of that,
let's get on with it. ~~it is the total~~
Supposed to write sentimental things
on here, but the way is the only thing
I can think of. I know you're
sorry for me, but I don't want to forget who
I am. I'm right on. I'm almost
an over the top thing in the world.

Cheryl Curran and Freshman Kristi Warner placed in the top 5 at districts and went on to make the top 15 at state. The team is young and expected to do well in the future.

The Mariners had a winning season this year, placing 6th in Districts with a 5-2 record season losing only to Mt. Vernon. At state, Kyle Brannen placed 12th in diving and the 160 medley relay, which was ranked 9th, placed an awesome 4th. REPRESENT WRESTLING AND FIFTH PLACES.

The Sehome matmen started off the season on a winning note with a 38-29 victory over Bellingham.

After dropping two non-league matches the Mariners came on strong in the Raider Wrestlerama claiming an unpresided third straight championship.

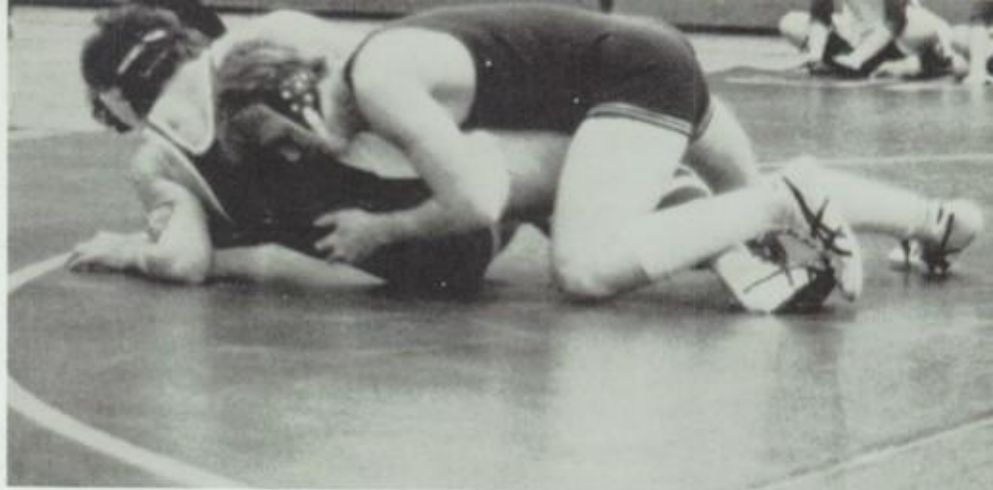

According to coach Rusch, the way the Wrestlerama is set up it's almost impossible to have a few good wrestlers and win, it takes all twelve wrestlers to do the job, which they did by having all twelve of the wrestlers win one or more matches.

The season went up and down from there as the team finished with a 6-7 dual meet record and a 4-4 league record.

The team wrestled to a fourth place finish at the district tournament and qualified four seniors to regionals. Jeff Wendling at 115 lbs. placed second, Kurt Wayerski at 129 lbs., and Dan Bettis at 148 lbs. took third while Kip Wayerski kept his undefeated record in tact by registering a first place victory in the 135 lb. division.

The Mariners had two representatives at state, Jeff Wendling at 115lbs. placed eighth while Kip Wayerski placed fifth at 135 lbs.

This years team members elected Dan Bettis most inspirational and co-captain, Jeff Wendling co-captain, Norman Krebill most improved and senior Scott Mitchell was awarded the scholastic citizenship award.

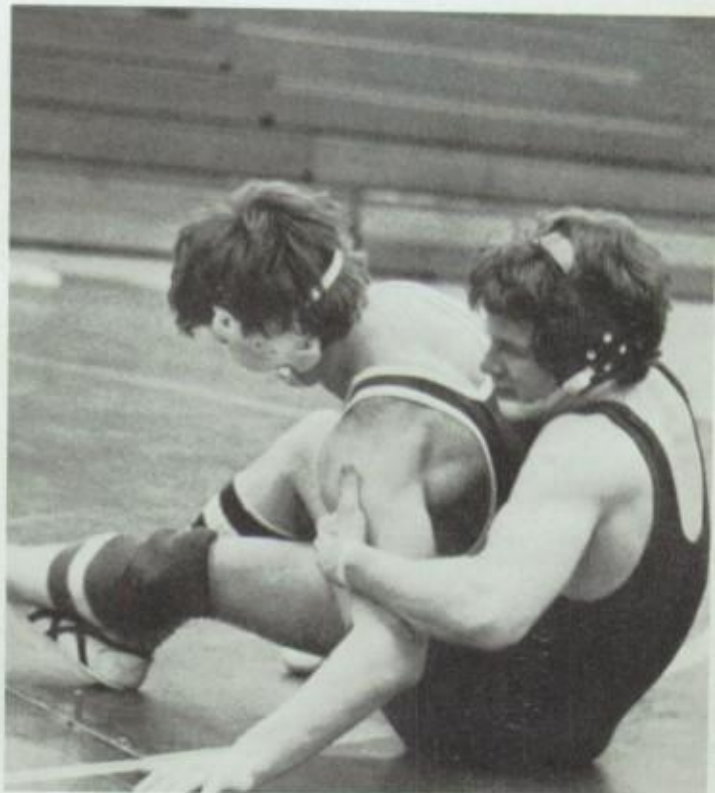

Boy this is fun.

Not a happy situation

"As far as teams go, I really feel that I have been blessed in that I have always had excellent students who behaved as responsible citizens and who were notably coachable, hard working gymnasts," stated Mrs. Ayers. "Each year, of course, previous successes fostered improvement because each subsequent team didn't want to be the team that "broke" the chain of success. (Success truly does breed success.)"

Final scores at state.

The Sehome High School gymnastics team has reached a goal that no other high school team has accomplished. They've won their 12th consecutive NWL championship, 12th consecutive District title, and 11th consecutive State Crown (10th officially). Next year's team should be quite outstanding, since the whole team will be returning. The great coaching of Mrs. Ayers and Mr. Thomas, and the incredible talent and depth on the team were the major contributors to winning state this year.

The team captain for the team this year was Laurie Bajema, most inspirational Lisa Riehl, and the most improved award went to Annie Thomas, a freshman.

Outstanding performer.

Concentration to perfection.

Aren't we happy?

"Over the years, my record has never been a focal point. I just try to train each of my gymnasts so that she develops her potential and becomes the strongest competitor she can in a four month season" mentioned Mrs. Ayers. Constantly striving for a level of excellence and my gymnasts never want to settle for anything less than achieving our team motto, "Four months of hard work, a lifetime of memories."

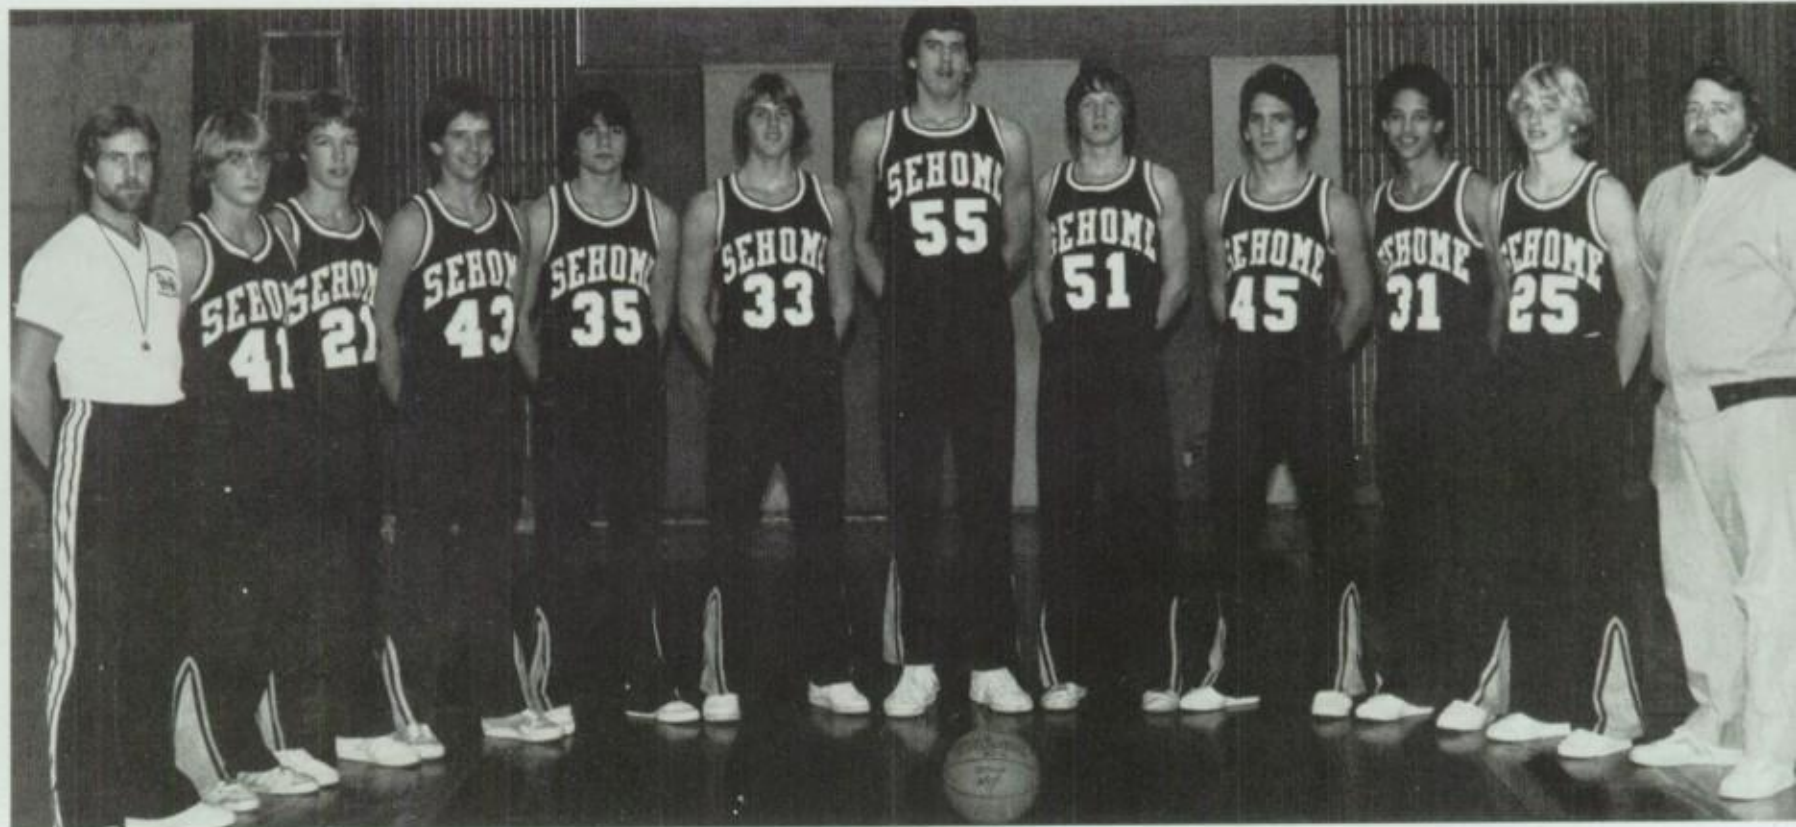

Yippee... .

STATE FIRST TIME EVER AND PLACES SIXTH.

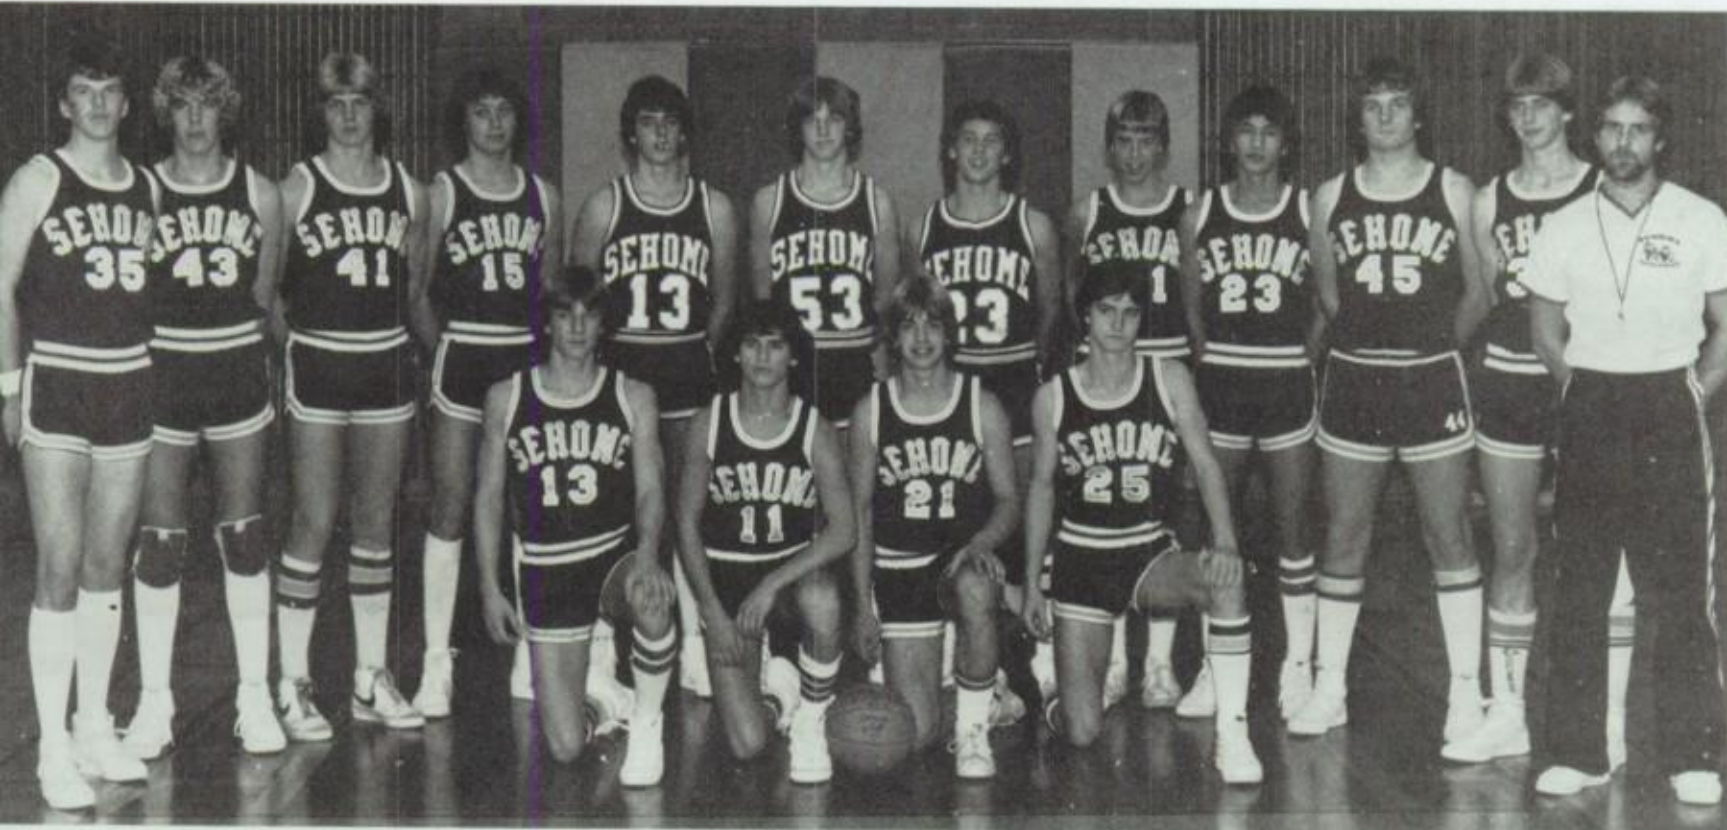

This was a good season for the Sehome Mariners finishing second in the league with a record of 14-6. Coach Cozad was pleased with the way the team played but thought they could have done better. "We have to work on turnovers."

The team got off to a poor start, losing the first two games then coming on strong, to tie with Anacortes to have a playoff game at the end of the year, to take second.

Sehome took second in the district losing only to Bellingham. Then on to state they lost to O'Dea in the last second game but came back in the next game against Selah to win and get to play Bellingham for fourth and sixth place. Sehome played the best game they had all season against Bellingham but they just fell short to take sixth place.

FRESHMAN TEAM EXCELS WITH 9-3 RECORD.

The 82-83 Frosh boys' basketball team proved their skills and talent to their opponents and to themselves. They had an excellent season with a 7-2 league and a 9-3 over-all, losing to North Whidbey and twice to Bellingham. The Bellingham games were very close, only losing the first one by a few points, then losing the second game in the last minute by ONE. Coach Monte Walton was pleased with the way the team played together. He felt the team met his expectations, but they need to gain size and strength and work on improving their free-throw percentage.

Dean Dorcas was the teams leading scorer and rebounder while Kent Jepson led in steals and assists even though he missed the first two games. The players are looking forward to playing basketball next year.

After winning the regionals, they were off to Seattle for the state play offs, where they played in the Seattle Center Arena. Making ALL-STATE were Cari Chamberlin and Sue Brown who were second and third in scoring in the Northwest League respectively. Lock goes over the roster.

The Sehome 1983 Freshmen "C" Baseball team started out slow with a lot of defensive errors. Coach Lockhart said the offense was there but they had to work at their defense. He was pleased at the way the team progressed. He felt they worked well as a team.

The team had a lot of depth this year, especially at the pitching staff, they had a lot of good hurlers. Lockhart said it was a good season and he expects good things in the future from these athletes. The players are looking forward to playing next year.

summer. See
ya next year.
Love,
D.S.

Rob,
I couldn't find anywhere very big to write, so I guess this will have to do.
What can you say in an annual? It's really hard to put into words what
this year has meant to me. I hope I'm not going to be corny like
Dave. You were a really good friend this year, the best friend
I've ever had, I wish we were still as close. We had a lot of
good times, and you were always there for the bad times and
you always understood. (And I don't know how). Sometimes it
seems like you have everything and I feel like we're so far away.
But I guess you deserve what you have. I really hope for you and
Wan, I know he's special for you, don't give up on him. If you
want it bad enough he will too. We never really get together &
talk anymore & I hope we can do so soon. Canada was fun!
I guess the worst time this year was your surprise party, the
way I acted like was a surprise. I know I'm a moody person
& sometimes I get mad at nothing, but at least I'm trying.
I guess I should learn from you. Have a great Summer
hope to see you a lot. I'm glad we got to be such
good friends this year, I'm lucky to know you. See
you later

Love always Stephanie
p.s. hope it was
corny for you, I
